

# Food Safety Policy

Party Treats involved in the manufacture of different varieties of cakes such as Rich cake, Love cake etc. has a moral obligation to safeguard our customers. We are committed to ensure good hygienic conditions in order to provide safe food to satisfy our customers. Further, we shall ensure compliance with relevant statutory & regulatory requirements and customer requirements including Food Safety Management System requirements.

Measurable objectives shall be developed in line with the policy. We shall communicate our policy to all stakeholders. We shall implement and maintain the policy at all levels of the organization and review for continuing sustainability.

We shall continually improve all activities in order to maintain an effective Food Safety Management System in accordance with the requirements of ISO 22000 and HACCP.
